Printed in Canada

Foreword

ODG has prepared this accessories manual for the Conquest models to assist Argo retailers, qualified mechanics and vehicle owners in selecting the correct quality replacement parts for Argo accessories or for choosing new accessories. For the most current accessories manual visit our website at www.argoxtv.com .

Proper and regular service, and replacing old, worn or broken parts with the correct ARGO replacement parts, are both essential to prolonging the life of the ARGO. Please refer to this accessories manual and/or the accompanying parts manual at our website www.argoxtv.com before ordering any replacement part.

All information contained in this Conquest Accessories Manual is based on the latest product specification available at time of printing. If your Conquest differs from the specifications contained in this manual, check our website www.argoxtv.com for the most current information.

ODG reserves the right to alter specifications on the Conquest models at any time, without obligation or prior notification.

Reproduction of this Conquest Accessories Manual, in whole or in part, is prohibited without prior written permission from Ontario Drive & Gear Limited.

Vehicle Identification

Conquest - 2019 Serial Nos. beginning at ...42665 (last 5 digits of V.I.N.)

Explanation of Manual Format

Ref - Reference number between assembly diagram and component parts list

Part No. - Argo replacement part number for identification and re-ordering

Description - Part description for identification and re-ordering

Qty - Indicates the quantity of a part used in an assembly

Conquest

Using the Accessories Manual

1. Find the major vehicle assembly in the INDEX page, and go to that section.

2. Locate the part in the illustration that you wish to order.

3. Refer to the parts list in that section.

4. Find the correct part number (Part No.), part description (Description) and correct quantity (Qty).

5. Use *only* this information to order ARGO replacement parts. *DO NOT* attempt to order a replacement part by reference number or page number.
